

Pioneer Middle School

This is how we do it!

SLANT
Student
Engagement Tool

Why?

1. Actively involve students
2. Sitting up increases oxygen to your brain.... oxygen is good for learning!!!!
3. Tracking the speaker shows who is paying attention. No phones, ipods, notes, etc
4. Increases consistency across classrooms

*SLANT actively involves students in their own learning

Sit up.

**“Teach students behavior,
attitude, effort and capacity.”**
